T.B.D.

MEETING: Thursday, March 18, 2010

NOTE THE DAY CHANGE DUE TO St. PATRICK'S DAY FALLING ON WEDNESDAY

TIME: 3:00 to 5:30 P.M.

PLACE: Admiral T.J. O'Brien's
407 Main St.
(Route 20)
Sturbridge MA 01566
508-347-2838

(Full address provided for those with GPS!)

AGENDA: There will be a brief business meeting to discuss the Golf Outing, this year's Constitutional change, the condition of the NESDA Web Site and the Summer Outing.

Guest Speaker: Tony Leto from The Wagner Companies will present information via a Power Point presentation on "The Myth of the Ladder Effect". He will also address other code and design issues and concerns with respect to railings. A "must see" for any misc. metals professionals.

Dinner following the meeting in the restaurant

If you plan to attend, kindly RSVP to Kevin Jacques @ 401-334-4306 or email @ kjacques@draftingsub.com by Wed., March 10, 2010.

Please join us! Feel free to bring prospective new members to this meeting. Our goal as a group is to expand our membership base by 10% this year. With an exciting topic like the one mentioned above, your customers and friends will appreciate you and your dedication to being the best in your field. You owe it to them and they will appreciate you.

DIRECTIONS:

Please see the link above for directions from your place.
