

Date: September - 2006

Volume: III

Greetings from the Board

The Board of Directors has completed updating the by-laws of SFNE. The next step is to have the membership review the changes and vote on the changes at the next general membership meeting. Please look for an email coming in August with the revised by-laws attached. Those members without email will receive a hard copy in the mail. Please review them before the membership meeting so that we can discuss them as needed and vote on them on October 18th at the annual membership meeting.

At the last meeting of the BOD, the Board voted to keep the present officers of SFNE in place one more year. Their reasoning was that this coming year will be a transition year and that a stable set of officers will assist in a smooth transition. The two major changes that are anticipated in the coming year are: Emile Troup will be stepping down as consultant as of July 31st, 2006, and continued progress on the reorganization of the association. However at this time there are several positions open for at-large board members. If any one is interested in serving on the board, please forward your name to Hollie Noveletsky at HNoveletsky@Noveliron.com.

Just a reminder of up coming events. The First Annual SFNE Golf Outing & Networking event will be held September 11th at the Wedgwood country Club in Stow Ma. There is still space for players and sponsorship. Please see the reverse side for details. Also the Annual Membership meeting is scheduled for October 18th at the Highlander Conference Center in Manchester, NH. It will run from 12-4pm. During the lunch hour, Emile Troup will be recognized for his years for service and contributions to SFNE. Following lunch, there will be a discussion on steel availability with representation for the steel mills. Look for further information in the early fall.

Have a great summer and we look forward to seeing you at the outing.

Sincerely,
Hollie Noveletsky
SFNE, President
